WorkWORLD

A Decision Support System to Empower Persons with Disabilities

Presented by **Mike Hine**, PhD. Assistant Professor of Information Systems, Sprott School of Business, Carleton University
on Tuesday October 04, 2005 at **Adobe Systems Canada**

What?

Our next meeting to start the 2005-2006 membership season will be held on Tuesday October 4, 2005.

WorkWORLD is a knowledge-based Decision Support System that empowers persons with disabilities through increased awareness and understanding of complex and convoluted work incentives associated with federal and state disability and poverty benefit programs. The background, motivation, and implementation details associated with the system will be presented.

Who?

Mike Hine, PhD. Assistant Professor of Information Systems, Sprott School of Business, Carleton University
