CapCHI Looking for Volunteers

CapCHI is looking for volunteers to help the organization during the 2006-2007 season. We are looking for people who can help run the organization and organize our events throughout the year. Some members of the current Executive are interested in helping again, but we need more people to get involved and all of the positions are open for new volunteers.

We are particularly interested in maintaining a diverse range of backgrounds on the Executive, and would like to encourage people working in companies or other organizations to get involved.

Members of the Executive typically meet once per month, often by teleconference, in addition to attending the CapCHI events. Much of the business of operating CapCHI is done with e-mail.

Information about the Executive positions can be found on our web site at <http://www.capchi.org/aboutexecutive.html>.

Elections for the CapCHI Officers (Chair, Vice-Chair, Secretary, and Treasurer) will take place during our meeting on June 8, 2006. Volunteers for the other positions are appointed by the new officers.

Please consider getting involved with CapCHI and contact Andrew Patrick (andrew@capchi.org) if you are interested.
